Important - Please Read Carefully

It is the responsibility of our insured patients to be aware of any restrictions or requirements stated in their insurance policy. These include second opinions, policy exclusions or waived benefits, pre-certification, inpatient vs. outpatient benefits and restrictions regarding pre-existing conditions.

Our office policy is to contact your insurance carrier for pre-surgical authorization. However, a pre-authorization or pre-certification issued by your insurance company simply means that they agree that your surgery is medically necessary though they can reverse this. It **does not guarantee** 1) payment of our charges if your insurance is an indemnity plan or 2) payment of your insurance company's allowable charges if your insurance is a managed care plan. Your insurance benefits and the payment we receive are determined by the limits that your insurance carrier sets. Again: **pre-certification does not guarantee payment.**

If you have any reason to believe that your insurance company will not cover your surgery because of a pre-existing clause, deductible, etc. please discuss this with us or your insurance company **prior** to your surgery.

I have read and understand your office policy.

I authorize and request that payments under my insurance program be made directly to the above provider for any services furnished to me (myself, dependent, spouse, etc.). I also authorize the provider to release any information needed for payment of claims. I further permit copies of this authorization to be used in place of the original.

I agree to pay the following, as determined and selected by the billing department:

- 1) Any unpaid balance not covered by my insurance carrier.
- 2) On any balance over 120 days from time of service a 12% interest rate per annum on the total balance for amounts greater than \$500.00
- 3) On any balance over 120 days from time of service an \$8.00 rebilling fee per month for balances less than \$500.00.

I also agree to pay all costs of collection if needed to obtain payment.

In the event the medical services provided are related to an accident/injury, I hereby authorize Steven H. Turkeltaub, M.D., P.C. to bill my primary insurance carrier first and collect any unpaid balance from the proceeds of any legal action resulting in a monetary settlement, regardless of any contracted provider agreement with my private insurance carrier.

This form will serve as a lien against any possible settlement through my attorney and I authorize that Steven H. Turkeltaub, M.D., P.C. be paid from the proceeds of current or pending legal action for his services.
